

**PRINT READY-TO-STICK
METER TAPES ON DEMAND**

The WJR30 allows efficient and accurate processing for mixed-size mail with ready-to-apply meter tape.

Hasler has the right solution for the right application.

Our new linerless roll tape dispenser prints ready-to-stick meter tapes on demand. **There's nothing to peel!**

Just print and apply.

The WJR30 is designed to interface with Hasler's WhisperJet™ mailing systems to improve productivity and reduce meter tape cost for package applications.

**ROLL TAPE
DISPENSER**

WJR30

There's
Nothing
To Peel!

Key features of the WJR30 include the following:

- Fast printing – 30 labels per minute
- USPS approved meter tapes
- Prints USPS approved information-based indicia
- Prints mail class and advertising dies
- Automatic length adjustment
- Direct thermal printing requires no ink
- High capacity – approximately 600 tapes per roll

HASLER
America's better choice.®

WJR30

ROLL TAPE DISPENSER

WhisperJet™ Mailing Machines

Connect the WJR30 quickly and easily to the following WhisperJet™ mailing machines: WJ135, WJ180 and WJ215.

Multiple meter tapes "on demand"

Operator presses a green button to release additional postage tapes one at a time.

Automatic length adjustment

The WJR30 roll tape dispenser prints ready-to-apply meter tapes that trim to the exact size needed.

Automatic end-of-roll detection

The WJR30 automatically ensures there is enough length left on the roll before printing postage on tape.
