ANNOUNCING

The New Choice in High-Volume Mailing Systems!
Be One of The First to See... Thursday—July 15, 2010

National Mailing Systems and Digital Office Products invite you to our
2010 Summer Open House!!!

Your mailing/copying solutions never got easier... Our local D.C. metro area one-stop-shop showroom has the latest and greatest equipment available for you to see in action.

THE WAIT IS OVER!

On July 15th, Neopost/Hasler will be unveiling its next generation IM Series high-volume mailing system. This product has been designed and built with the user in mind. Everything is within reach, creating an ergonomic workspace for a seamless workflow. After all, a more productive mailing operation starts with more productive employees. Our early adopters love it. You will too.

SEE IT HERE: Come hungry ... You won't leave hungry when you visit us!!!
